On agreement with the Information Commissioner's Office (ICO) we are providing you with four documents relating to your request to us in 2007. After discussing the matter with the ICO three of these documents have been redacted in part because they contain personal data or other information we consider exempt. The fourth document has not been redacted because the Department for Culture, Media and Sport (DCMS) have published the same in full since the original request ([www.culture.gov.uk](http://www.culture.gov.uk)).
