

Lottery Submission - Form

The Gambling Commission's Licence Conditions and Codes of Practice require that for each lottery promoted in reliance of an operating licence, a lottery submission must be made to the Commission.

This must happen within three months of the date of the determination of the lottery or, in the case of an "instant lottery", within three months of the last date on which tickets in the lottery were on sale.

Please refer to the guidance notes for help with completing and returning this form.
