

GAMBLING COMMISSION

Licence Conditions and Codes of Practice **Supplement 7: Revisions to licence condition 15.3 concerning regulatory returns annual submissions**

August 2010

1 Introduction

- 1.1 The Gambling Commission's (the Commission) latest Licence Conditions and Codes of Practice (LCCP) were published on 1 October 2008 and came into force on 1 January 2009.
- 1.2 Following consultation with the industry it has been agreed that the Commission will increase the deadline for the submission of annual regulatory returns from 28 days to 42 days following the end of an operator's business cycle. This has resulted in a need to change licence condition 15.3.
- 1.3 This supplement provides details of that change.
- 1.4 The condition remains the same as that published in October 2008 save for the final paragraph, which is shown in bold text.
- 1.5 The Commission will make the change to the licence condition with immediate effect.

15.3 General and regulatory returns

All operating licences

On request, licensees must provide the Commission with such information as the Commission may require about the use made of facilities provided in accordance with this licence, and the manner in which gambling authorised by this licence and the licensee's business in relation to that gambling are carried on, including in particular information about:

- the numbers of people making use of the facilities and the frequency of such use
- the range of gambling activities provided by the licensee and the numbers of staff employed in connection with them
- the licensee's policies in relation to, and experiences of, problem gambling.

In particular within 28 days of the end of each quarterly period or, for those only submitting annual returns, within 42 days of the end of each annual period, licensees must submit a Regulatory Return to the Commission containing such information as the Commission may from time to time require.
