

Response

Please find attached the requested information.

In relation to the details of staff dealing with contracts, this is personal data which is exempt from disclosure. The Data Protection Act 1998 requires the processing of personal data to be fair and lawful.

It would be disproportionate for us to publically disclose the identity of these individuals given their position within the organisation unless there is a strong public interest in doing so. These individuals have a legitimate expectation that their personal details will not be disclosed unnecessarily as they are not public facing roles or roles that are senior enough to warrant their identities being made publically available. On balance, there is no legitimate public interest in disclosing their identity and it would not be fair to do so. This information is therefore exempt under section 40(2) of the Freedom of Information Act 2000. Please direct any queries to our contact centre: 0121 230 6666 or info@gamblingcommission.gov.uk

Review of the decision

If you are unhappy with the service you have received in relation to your Freedom of Information request and wish to make a complaint or request a review of our decision, you should write to FOI Team, Gambling Commission, 4th floor, Victoria Square House, Victoria Square, Birmingham, B2 4BP.

If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner (ICO) for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Gambling Commission. The ICO can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Request

I would like to request information under the Freedom of Information Act.

The information I require is in relation the organisation's software contract specifically for:

- **Enterprise Content Management-** covers the provision of Enterprise Content Management (ECM) software and associated services including Document and Records Management (EDRM) solutions e.g. document scanning, image processing, web content and workflow management and systematic control e.g. document life cycle solutions.
- **Asset Management Software-** is a business practice that involves **managing** and optimizing the purchase, deployment, maintenance, utilization, and disposal of **software** applications within an organization.
- **Data Management and Reporting Systems (DMRS) Software** - covers the provision of Data Management and Reporting Systems (DMRS) software and associated services for the purposes of business intelligence, data and performance management including data warehouse provision, data manipulation, quality and integration tools, data analytics and big data solutions.
- **Mobile Application Solutions-** covers the provision of Mobile Application Solutions for the purposes of delivering mobile application requirements for a variety of mobile devices, platforms and interfaces.

The organisation may have several contracts relating to the contract above but can you please provide me with the primary/secondary contracts. Please concentrate on contracts over £1,000.
