

Response

Please find attached the requested information.

In relation to the details of staff dealing with contracts, this is personal data which is exempt from disclosure. The Data Protection Act 1998 requires the processing of personal data to be fair and lawful.

It would be disproportionate for us to publically disclose the identity of these individuals given their position within the organisation unless there is a strong public interest in doing so. These individuals have a legitimate expectation that their personal details will not be disclosed unnecessarily as they are not public facing roles or roles that are senior enough to warrant their identities being made publically available. On balance, there is no legitimate public interest in disclosing their identity and it would not be fair to do so. This information is therefore exempt under section 40(2) of the Freedom of Information Act 2000. Please direct any queries to our contact centre: 0121 230 6666 or info@gamblingcommission.gov.uk
